THE BOOK OF REVELATION	
Chapters	THE SEVEN VISIONS (4:1-22:5)
	as given in the Christ order
4:1 - 5:14	<p>First Vision: PRINCIPLE The enthroned One - the twenty-four elders - the book of life sealed with seven seals to be opened by the Lamb</p> <p>(This vision unfolds in the Christianity order of P,M,So,Sp,Li,T,Lo. It shows the workings of the spiritual idea, and how Christ, Truth, understood is alone able to open the closed book - in this context, the Bible)</p>
6:1-8:1	<p>Second Vision: LIFE The opening of the seven seals (at opening of sixth seal a great earthquake etc.) - the four angels standing on the four corners of the earth holding the four winds</p> <p>(The seals of the book of Life are opened to reveal and analyze spiritually the 1000-year periods in the Word order of M,Sp,So,P,Li,T,Lo; opening of sixth seal "typical of six thousand years since Adam" - S&H 560. Four angels protecting the earth symbolize the calculus of the Word, Christ, Christianity, and Science)</p>
8:2 - 11:19	<p>Third Vision: TRUTH The sounding of the seven trumpets, uncovering at the sixth trumpet the angel with the little book open and the two witnesses</p> <p>(The trumpets are sounded in the Word order of M,Sp,So,P,Li,T,Lo. The sixth trumpet now uncovers (brings to light) the "little book" that is open and needs to be studied and understood - in our age, Science and Health) Now we have two witnesses - Christ Jesus and Christian Science, the Bible and Science and Health</p>
12:1 - 14:20	<p>Fourth Vision: LOVE The God-crowned woman gives birth to a man child and both preserved - the beast from the sea and the beast from the earth - the Lamb on Mount Zion with the hundred and forty-four thousand</p> <p>(The God-crowned woman giving birth to her child is in the Christianity order of P,M,So,Sp,Li,T,Lo. Based on the understanding that comes from the Bible and Science and Health, "woman" gives birth to the Christ-idea that is destined to rule all nations. It is a universal birth and deals with materially based calculations - the two beasts - bringing universal salvation. This is "the divine method of warfare in Science" - see S&H 568:5-7)</p>
15:1 - 18:24	<p>Fifth Vision: SOUL The pouring of the seven vials - the destruction of the great whore and the city of Babylon</p> <p>(The pouring of the vials given in the order of Lo,T,Li,P,So,Sp,M, symbolizes the suffering way of warfare, but whichever way we take, animal magnetism and all false knowledge are destroyed)</p>
19:1 - 21:27	<p>Sixth Vision: SPIRIT Armageddon, the end of the warfare - the appearing of the New Jerusalem, the city that "lieth foursquare"</p> <p>(The "city of the Spirit", "the light and glory of divine Science" - S&H 575 - based on the fourfold operation of the Word, Christ, Christianity, and Science, is seen to be all and operating on every level of universal consciousness</p>
22:1 - 5	<p>Seventh Vision: MIND The pure river of water of life and the tree of life - the throne of God and the Lamb with his servants serving Him - "the Lord God giveth them light"</p> <p>(The Science of Mind manifests itself to mankind as "a pure river of water of life" - a pure Word; a "tree of life" whose leaves are "for the healing of the nations" - an active and healing Christ; everything serving God and identified with Him - a universal Christianity; and perpetual light, "no night there" - a Science that brings continual enlightenment)</p>
EPILOGUE (22:6-21)	
22:6 - 21	<p>"These sayings are faithful and true", keep them and worship God, obey the commandments, and so partake of the tree of life and enter into the city. "The time is at hand." "I come quickly." It is all in this book.</p> <p>"And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely." (Rev.22:17)</p>
<p>(The lay-out of the Book of Revelation is taken from "Talks given by John W. Doorly at his Oxford Summer School 1948", Vol.II Matthew and Revelation; also from a précis of the Book of Revelation by Peggy Brook given in Part III of "The Pure Science of Christian Science" by John W. Doorly)</p>	

	WORD	CHRIST	CHRISTIANITY	SCIENCE
Wo	W/W ROMANS (Written on 3rd Missionary journey from Corinth. Sixth Epistle, but placed first as important treatise on Paul's teaching - regarded as a cornerstone) Basis - living faith rather than law - the pure Spirit Faith - understanding By accepting and understanding our conscious unity with God, through faith, we partake of its divine nature	C/W GALATIANS (Written on 3rd Missionary journey from Corinth "The Epistle of Liberty". Galatians tempted to go back to the law) Accepting the Christ as the all-sufficient Saviour, we are free from the law. ("If ye be led of the Spirit, ye are not under the law")	CR/W COLOSSIANS (Probably written from prison in Rome. Paul had never visited them) The perfection of man, through accepting the fulness of Christ, must be actively expressed in life, never deviating from the one pure Christ	SC/W 3 PASTORAL EPISTLES All three Epistles concerned with keeping the new teaching pure <u>I Tim.</u> - the doctrine must be kept pure, not humanized <u>II Tim.</u> - we must be worthy in face of antagonism or it may be lost <u>Titus</u> - preserved, this teaching has universal significance <u>I TIMOTHY</u> (Written from Macedonia between his imprisonments in Rome) The true ideas needed for men to embody the pure Science of the Word <u>II TIMOTHY</u> (Written at end of imprisonment in Rome to strengthen Timothy) Need to endure in our pure attitude <u>TITUS</u> (Written just after I Tim. Titus a pagan convert of Paul's put in charge in Crete) Only teaching by example can save. We must embody M,Sp,So,P,Li,T,Lo
Ch	W/C CORINTHIANS (Written on 3rd Missionary journey from Ephesus) This understanding lives in us as one undivided Christ, demanding the laying down of the mortal ("Christ crucified") and bringing a new life, with a living sense of love	C/C EPHESIANS (Written probably from prison in Rome. Regarded as the greatest of Paul's Epistles) The fulness of the Christ is manifested as its fulness in man - being "clothed with the whole garment of Christ" - one God, one Christ, one man	CY/C I THESSALONIANS (I & II written from Corinth on Paul's 2nd missionary journey. First exposition of Christianity) As we claim this perfection and take on the new way of Life, we must let it abound more and more in our experience	SC/C PHILEMON (Written in prison in Rome about Onesimus, slave to Paul's friend Philemon, whom he has robbed. Paul asks Philemon to take Onesimus back as a brother and friend) The Science of man restores him to his liberated selfhood in Christ through M,Sp,So,P,Li,T,Lo.
Cy	W/CY II CORINTHIANS (Written on 3rd Missionary journey from Macedonia) Abiding in this understanding, it triumphs over every obstacle that stands in our path because of our unity with Christ	C/CY PHILIPPIANS (Probably written from prison in Rome. "Epistle of rejoicing") When we abide in our understanding of the fulness of Christ, we experience its perfecting power with great joy	CY/CY II THESSALONIANS By steadfastly abiding with the perfection of man's being, the man of sin will be dealt with and the "second coming of Christ" will take place within us	SC/CY HEBREWS (Although commonly attributed to Paul, author unknown) The fourfold calculus operating on every level of thought brings salvation to man
	WORD TRIAD - to do with God's greatness and the grace of God; accepting this new faith (Rom); claiming it so that it transforms us (I Cor); adhering or steadfastly abiding in it, whereby it triumphs over all afflictions (II Cor)	CHRIST TRIAD - to do with the glory of the Christ and its influence on man; the Christ is all-sufficient, no other power can help us (Gal); it is All-in-all working in all and through all - <u>one</u> Christ (Eph); it is constantly perfecting us and bringing joy (Phil).	CHRISTIANITY TRIAD - to do with the Christ man and his abiding with his perfection. Having accepted perfection we must actively express it (Col); we must let it abound more and more (I Thess); and so deal with the man of sin that the second coming of Christ is established in us (II Thess).	SCIENCE TRIAD - Christianity demonstrated in man embodying the pure Science. It must always be kept pure (I, II Tim., Titus); liberate man from slavery of any kind (Philemon); bringing salvation to every level of consciousness (Heb).

GENERAL EPISTLES are not written to any particular churches or groups, but they are universal or general.

They are the being of Science. They emphasize living proofs of man's faith - being.

W/SC	JAMES	C/SC	I PETER	CY/SC	I JOHN	SC/SC	JUDE
(Possibly “James the Just” of high reputation in the church. Brother or step-brother of Jesus. Head of the church in Jerusalem) We must be doers of the Word by letting our understanding of God prove itself in every detail of our lives		(Written by Peter from Rome in AD 64. The value of suffering addressed to the Christian Jews) The activity of the C/Sc impels us to lay down the mortal sense of things, albeit through suffering.		(I & II written by John the beloved disciple. Emphasizes Christ manifest in the flesh denied by Docetism) Teaches men to love one another 1) we are in God (W); 2) we abide in Christ (C); 3) God dwells with us (Cy); 4) all relationships merge into an understanding of divine being (Sc). John concerned with man’s perfection and his expressing of love through coming into line with the divine infinite calculus		(Written by Jude, brother of James and step-brother of Jesus) Be alert and keep the faith; and this active relationship to the Science of man preserves us from ever falling away from our Principle	
			I I PETER				II JOHN
			(Warning against false teachers. Antinomianism is faith without works) Only Christlike understanding can continue us in the way. Though we may suffer, this <u>is</u> the way. No easy way out through false teachers.				Be discriminating in love but impersonal
		III JOHN		(Written to Gaius, possibly leader of a small church in Asia Minor) If we love the Truth then we do right and are blessed			
		James - we must be <u>doers</u> of the Word	Summary of SCIENCE QUARTET				Jude - if we keep the faith we are kept from falling and all evil is <u>bound</u> to be destroyed
I & II Peter - we may have to go through suffering in living our faith, but it will bring us into glory if we stick to it and are not fooled by false teachers	I, II, III John - man is God’s beloved. Much is involved in loving God and man, but it is a proof of understanding						
(The lay-out of these Epistles in matrix form is taken from "The Epistles in the Light of Christian Science" by Max Kappeler)
